WAR PLANT EXPLOSION KILLS FIFTY WORKERS

**Women Die in Blasts Which Cause Millions of Dollars'
Damage to Baldwin Locomotive Company's
Munitions Plant.**

Philadelphia, April 10.—Estimates of number killed in series of explosions which wrecked shrapnel factory of Baldwin locomotive works at Eddystone today ran as high as 50 at 2 p. m. At same time it was believed that not less than 300 men had been injured, many seriously.

Eddystone police headquarters at 2 o'clock this afternoon estimated that at least 50 persons, many of them girls, were killed and probably 200 injured. Nine buildings, with machinery worth millions of dollars, were completely shattered by terrific shocks which shook this city like an
